

Assignment 1b Javascript AJAX Implementation

Login Form

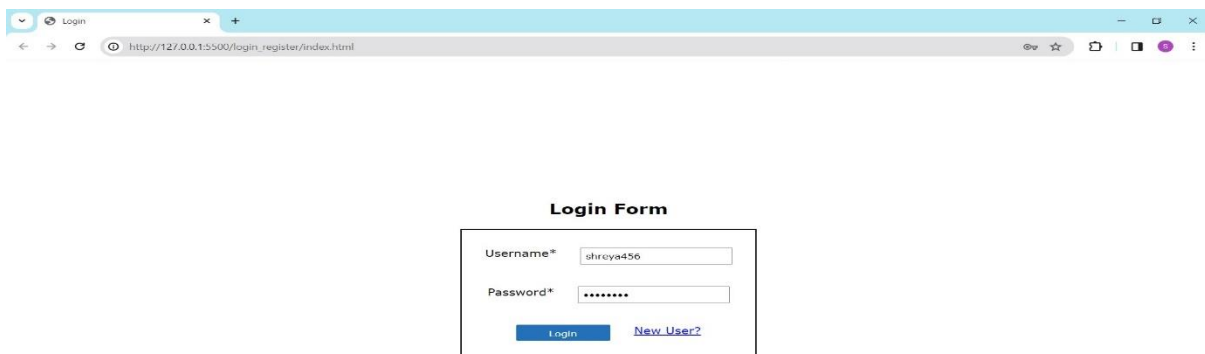

A screenshot of a web browser window with the title 'Login'. The address bar shows 'http://127.0.0.1:5500/login_register/index.html'. The page content is a 'Login Form' with two input fields: 'Username*' containing 'shreya456' and 'Password*' containing '*****'. Below the password field, the text 'wrong password' is displayed in red. At the bottom of the form are two buttons: 'Login' (blue) and 'New User?' (blue link).

After correct Password

A screenshot of a web browser window showing a successful login. A light blue notification box at the top center contains the text '127.0.0.1:5500 says' and 'Login Successful', with an 'OK' button. Below the notification is the 'Login Form' with 'Username*' as 'shreya456' and 'Password*' as '*****'. The text 'wrong password' is still visible in red below the password field. The 'Login' button is blue, and 'New User?' is a blue link.

After clicking ok wrong password message disappeared

A screenshot of a web browser window showing the 'Login Form' after the error message has been dismissed. The 'Username*' field contains 'shreya456' and the 'Password*' field contains '*****'. The 'wrong password' message is no longer present. The 'Login' button is blue, and 'New User?' is a blue link.

Registration Form

Name

A screenshot of a web browser window with the address bar showing `http://127.0.0.1:5500/login_register/register.html`. The browser has a single tab titled "Register". A light blue modal dialog box is displayed in the center, containing the text "127.0.0.1:5500 says" and "name should contain alphabets only", with an "OK" button. Below the dialog is a registration form with the following fields: "ID*" (containing "1"), "Name*" (containing "6373" and highlighted with a red border), "Username*", "Password*", "Email*", "DOB*" (with a date picker showing "dd-mm-yyyy"), "Gender" (with radio buttons for "Male" and "Female"), "Address" (a text area), and "City" (a dropdown menu showing "--Select City--").

A screenshot of the same web browser window, but the modal dialog is gone. The "Name*" field now has a red border and a red error message "name should contain alphabets only" displayed directly below it. The "ID*" field contains "1". The "Username*", "Password*", "Email*", "DOB*" (with a date picker showing "dd-mm-yyyy"), "Gender" (with radio buttons for "Male" and "Female"), "Address" (a text area), and "City" (a dropdown menu showing "--Select City--") fields remain unchanged.

Password

A screenshot of a web browser window with the address bar showing `http://127.0.0.1:5500/login_register/register.html`. The browser has a single tab titled "Register". A light blue error message box is displayed at the top, stating "127.0.0.1:5500 says Password should contain min 8 chars" with an "OK" button. Below the message is a registration form with the following fields:

- ID: (empty)
- Name*: Shreya
- Username*: shreya23
- Password*: [masked with dots]
- Email*: (empty)
- DOB*: dd-mm-yyyy
- Gender: ☐ Male ☐ Female
- Address: (empty text area)
- City: --Select City--

A screenshot of a web browser window with the address bar showing `http://127.0.0.1:5500/login_register/register.html`. The browser has a single tab titled "Register". The page displays a "Registration Form" with the following fields:

- ID*: 1
- Name*: Shreya
- Username*: shreya23
- Password*: [masked with dots]
Password should contain min 8 chars
- Email*: (empty)
- DOB*: dd-mm-yyyy
- Gender: ☐ Male ☐ Female
- Address: (empty text area)
- City: --Select City--
